Everyone is welcome!

and Music with Dr. Neil Cockburn**

Sacred Shores: Pilgrimage Across the Celtic North: In 2026, we continue the journey we began last summer, tracing ancient wells and living waters into new terrain. Guided by Dean Christopher Pappas and Dr. Neil Cockburn, our week draws pilgrims into the rugged beauty and spiritual imagination of the Celtic North—from the windswept stones of Iona to the tidal holy ground of Lindisfarne. Through daily prayer shaped by the rhythms of early monastic communities, rich storytelling, reflective teaching, and evocative musical textures, we will explore how pilgrimage forms the heart, deepens discipleship, and renews the Church's life today. Anchored in tradition yet alive to the Spirit's movement, this week invites participants to walk the ancient paths with fresh eyes and open hearts.
